Northampton, Mass.

Dear Miss Moss:

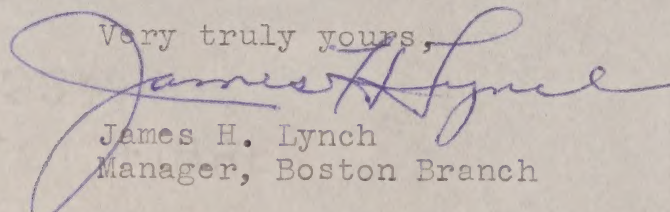

We are sending this date under separate cover, 50 DECCA records as of a letter dated December 1, 1949 from our New York office.

For some inexplicable reason, I never received this letter and as a result, no action was taken to see that you would receive promptly the 50 records.

Realizing the inconvenience this has caused you, I hope that the records will partially make up for it.

With best wishes, I remain,

Very truly yours,

James H. Lynch
